

## Year 4

### Autumn Term One Homework Project

### The Romans

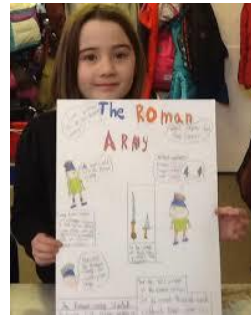

It is time to get creative year 4. I would like you to use materials that you have at home to make one of the following:

1. Make a model of a Roman soldier and label the armour worn.

Or create your own idea as long as it is related to the Romans!

2. Create a model/drawing of the Colosseum, describing what events took place there.

3. Create a poster or power point presentation on any of the key events from Roman times.

I look forward to seeing your amazing projects by **Wednesday 19<sup>th</sup> October.**
