

Year 6

Spring Term One Homework Project

The Amazon Rainforest

I would like you to research the Amazon Rainforest and what we might find in there.

1. You could create your own Amazon Rainforest in a box:

2. You could research a specific animal or creature found in the rainforest and create a poster about it.

Or you could do something that you have thought of yourself. I cannot wait to see your amazing creativity

Please hand them in by **Wednesday 14th February.**
