

What is the story of migration to Britain?

It is time to get creative year 4. I would like you to use materials that you have at home to make one of the following:

- ### 1. Create a timeline detailing the historic migration to Britain.

2. Create a poster/fact file detailing both the push and pull factors that influenced migration to Britain.

Or create your own idea as long as it is related to migration to Britain.

- ### 3. A global map labelling historic migration to Britain.
