- 27.06.26 – Y6 Transition Day to high school
- 30.06.25 – Nursery parent drop in – 3:30pm

09.05.2025

We have, as always, had a super busy week with lots going on in school. Our Year 5 and 6 boys and girls football teams have both played away games and have done the school proud!

Next week sees all children in Y1 – Y6 taking their summer term tests. Our children are assessed in Reading, Grammar and Maths and they will sit a formal test for each. The results of these tests will be explained to you in your child's end of term report which the teachers are currently working hard to construct for you.

Year 6 will be sitting their SAT tests next week which are a formal assessment process generated by the DFE. All children in Y6 in England have to take these tests but all we ask, is that they try their best.

### VE Day Anniversary Celebrations

Yesterday saw the whole country celebrating the 80<sup>th</sup> Anniversary of VE Day and we certainly joined in here at Wardley. The children looked wonderful in their red/white/blue clothing and many of them enjoyed their themed picnic lunch created by our fabulous kitchen staff.

We started the day with a special VE Day collective worship where the children learned about that special day 80 years ago. They watched a short video clip of the parades in London and listened to Vera Lynn singing, 'We'll Meet Again'. In the afternoon, the entire school went outside together where we enjoyed cake and refreshments whilst listening and dancing to music. The children and staff thoroughly enjoyed themselves – take a look at our photos on the school website.

### Weekly Updates... Wardley Way Awards

There were no awards given this week but I have been assured that we have a number of children who are very close to completing their bookmarks. I look forward to seeing who those children are next week and awarding them their certificates.

## **Reminders from the office ...**

- Next week is week 1 on the dinner menu
- Dinner money next week is £10.50 and is due on Monday morning

## **Other news**

A reminder that if anyone has any summer dresses that they would be willing to donate to our spare uniform box, the office staff would be most grateful. Please drop off any spare dresses at the school office – thank you.

Phoebe in Year 6 has attended gymnastics championships last weekend and has performed extremely well! She received 4 medals, all for 2<sup>nd</sup> place in a group of children who are older than she is. We have seen her in action and she is quite something else! Her floor routine, summersaults and round-offs are quite something else. We celebrated her success during our Celebration Worship this morning. We all hope to see her wearing a GB kit in the near future as she is certainly capable. From everyone at Wardley – Well Done Phoebe!

## **Our Christian values and thoughtful time**

Our children have been thinking about the value of TRUST this week. As it is one of our 5 values within the Wardley Way, we know that we have developed lots of trust in our school and it is something that are proud of. We have been thinking about the qualities of trust and how we know we can trust others. We have thought about the difficulties of dealing with a situation when someone loses our trust! Well done to our Senior Pupils who led the Thoughtful Book Collective Worship this week.

It looks like the sun is continuing to shine so let's hope we can all see some more sunshine this weekend.

As always, thank you for your continuing support and we see you all next week when our summer term tests will be taking place.

A special Good Luck to all our Year 6 pupils who will sitting their SAT tests. We have every confidence in you all – you're going to be brilliant!

Have a lovely weekend and God Bless
