This Week in School

It was lovely to welcome all the children back on Tuesday where they enjoyed a 5 Steps to Wellbeing day. The year 4 class are busy preparing for the Multiplication Check next week and Miss Millington informs me that they are all working hard and trying their absolute best – which is all we can ever ask for.

Co-op Academy Swinton and St James High School came in to speak to the Y6 children who will be attending their school in September and were very impressed with their behaviour, manners and how well they asked questions. As always, they are a credit to our school.

Weekly Updates... Wardley Way Awards

This week had just one child achieving their award – well done to Buster in Y4 who has now achieved his Bronze award. I look forward to seeing who will receive an award next week.

We always encourage the children to bring in achievements from outside of school into our Celebration Assembly on Fridays. It is lovely to see what they get up to in their time.

Reminders from the office ...

- Next week will be Week 2 on the lunch menu
- Dinner money next week is £10.50 and is due on Monday morning

Other news

Athletics Trials

Mr Houston and Mr Foster have hosted the athletics trials for the Y6 pupils. It was extremely well attended and I know that it is going to be challenging to select children to represent us at the upcoming Athletics Championships.

Sadly, the heavy rain postponed the trials for the Y5 class but this has now been rescheduled for next Wednesday and we look forward to seeing the range of talent in our Y5 class.

Mr Houston will be in direct contact with the parents of children who have been selected for the event with all the necessary details.

Year 6 Leavers Show

Our Year 6 pupils auditioned for their roles in their end of year show: Oliver With a Twist. There is so much talent in the class and we are confident that the performance is going to be huge success!

All of the children in school will get an opportunity to watch their show and parents, friends and guardians of children in Y6 are invited to a special performance on the evening of 21st July at 5:00pm.

Anxiety Workshop for Parents

This week saw the first of set of workshops held for parents who would like further advice on how to deal with stress and anxiety in children. The workshop is run by members from the PIT in the Local Authority and was incredibly well attended and we look forward to welcoming you back into school next week.

Collective Worship – Forgiveness

As we enter our final half term this academic year, the children will be thinking about forgiveness. They listened to the Bible story of The Lost Son and how a loving father immediately forgave his son because he was truly sorry. The children reflected on the importance of forgiveness in their Thoughtful books and the Senior Pupils did a wonderful job sharing these thoughts with the whole school in yesterday's collective worship. Year 4 created a beautiful prayer which was shared with everyone.

Have a wonderful weekend and see you all next week.

Take care & God Bless
