With A Twist – 5:00pm – for parents on  
Y6 pupils

22.07.25 – Y6 Summer Party

23.07.25 – School Closes at 3:15pm

### Salford Schools' Athletics Championships, Ukulele Concert & Y1 Tree Tops

This week saw several out of school events taking place whereby our wonderful pupils represented our school and made us feel proud in every possible way.

Pupils from Year 5 represented Wardley at the Salford Athletics Championships on Tuesday where their perseverance, dedication and positive attitude was a credit to us all. They whooped and cheered each other on and it was such a pleasure to see their team spirit. Well done to all of you!

Year 4 performed in a ukulele concert at The Lowry Theatre on Wednesday. Mr Lane from MAPAS came to see me personally to express how wonderful they were. Miss Millington informs me that they were impeccably behaved and represented our school in style. Well done Year 4!

And...Year 1 visited the Tree Tops Adventure in Heaton Park yesterday. Ms Mitchell was so proud of their courage and how they worked together as a team. She also informed me of their impeccable behaviour and attitudes at all times. Well done Team 1! It is so lovely to hear how well our pupils represent Wardley CE Primary School; they make us all feel very proud!

### Weekly Updates... Wardley Way Awards

This week we had just one superstar achieving their award – well done to Elliott in Y5 who has now achieved his Bronze award. I look forward to seeing who will receive an award next week. We always encourage the children to bring in achievements from outside of school into our Celebration Assembly on Fridays. It is lovely to see what they get up to in their time. This week we celebrated the achievements of tap dancers, gymnasts, footballers, ballet dancers and karate kids! Between them they had a range of certificates, rosettes, trophies and sashes which they proudly displayed to the whole school.

## **Reminders from the office ...**

- Next week will be week 2 on the lunch menu.
- Dinner money next week is £10.50 and is due on Monday morning.
- We have lots of uniforms available in our uniform emporium, some are new with tags on. Please help yourselves to this, it's located outside the school office

## **Pass the Class**

This morning, our pupils had the opportunity to spend some time in their classroom environment to meet their teacher for next year. When I walked a round, everyone was on their best behaviour ready to impress their new teacher and staff commented on how much they enjoyed getting to know their new pupils ready for September.

## **Non-Uniform Day**

We will be hosting a non-uniform day next Friday 04.07.25 to raise funds towards The North West Air Ambulance Service. Harry Thorpe in Year 4 came to speak to me about this charity as it is something he feels passionately about after he learned about them and the amazing work they do at his Cubs Group. Please contribute towards this fund via School Spider and all monies raised will be donated to the wonderful charity on behalf of Harry and Wardley CE Primary School.

## **Fiver Challenge**

We kindly ask that you support our Year 6 Fiver Challenge Enterprise Experience that will taking place next Friday, 04.07.25. We have held this event for the past few years and it has always proved a roaring success. Children from ALL classes (Reception – Y5) are invited to bring in 50p or £1 to spend at the stalls promoted by our Year 6 students. The stalls will be selling a range of goods from keyrings, candles, and candyfloss to ice pops, slushies and lemonade stands.

The money raised will go into the school fund and discussions will take place with about what we should spend it on next academic year. In the past, most of the money raised has been spent on new playground equipment. So please support his event. It is a marvellous way for the children to learn about profit margins and get some real-life entrepreneur experience.

## **Collective Worship – Forgiveness**

We have continued with our theme of 'Foregiveness' this week. This week we looked at the power of forgiveness and redemption through the real-life story of Gordon Wilson who lost his daughter after an IRA bomb exploded next to a cenotaph on Remembrance Sunday. He said, 'I bear no grudge. Bitter talk is not going to bring Marie back to life. I shall pray that God will forgive them.' The children showed such empathy and compassion during this assembly and have gone away and truly reflected on the power of forgiveness. Their responsones during this week's Thoughtful Books Worship were mature, thoughtful and

In this week's Thoughtful Book Worship Mila & Grace in Y4 were awarded our school mascot, Sammy, for their wonderful work onforgiveness. Well done girls!

Have a wonderful weekend.

Take care & God Bless
