

Year 1

Autumn Term One: Homework Project

All About Me

It is time to get creative Team 1! You are invited to create a project all about your brilliant selves. You could use the materials that you have at home to make one of the following:

A poster

A booklet

A person

I look forward to seeing your wonderful projects on **Friday 24th October.**

Or you could create your own fabulous idea, as long as it is related to the topic.
