

Year 2

Autumn Term One Homework Project The Great Fire of London

It is time to get creative year 2. I would like you to use materials that you have at home to make one of the following:

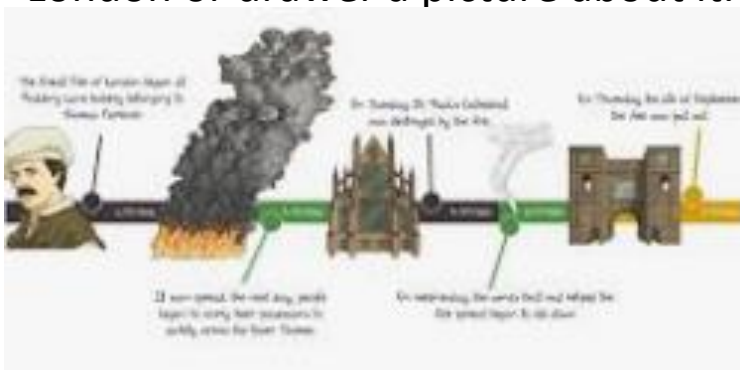

1. Make a model of a London house or the city of London during the Great Fire.

2. Research the diary of Samuel Pepys, who wrote about the Great Fire, and write your own diary about the Fire of London. you could even make your paper look old by staining it.

3. Create a timeline showing the events of the Great Fire of London or draw a picture about it.

Or create your own idea as long as it is related to the Great Fire of London.

I look forward to seeing your amazing projects by **Friday 17th October.**
